

SI4DEV Partner's Contract

For Individuals: Individuals who have been accepted as SI4DEV Partners are expected to be committed in their focus area and state teams. By joining our social media, instant messaging groups and website, you will be able to participate in our campaigns and have your work rewarded.

For Organizations: Organizations are also allowed to become Partners of SI4DEV for those who prefer to showcase their efforts in development through the SI4DEV platforms.

Note, SI4DEV is not a funding agency and is not obliged to offer financial support. Partner positions are voluntary; however, we will compensate dedication based on activity and targets met. Also, being an SI4DEV Partner makes you our official representative and you are expected to uphold our values in your work.

Partner Responsibilities

Partners are encouraged to be actively involved in the network. This includes:

1. Submitting your monthly task reports and work in collaboration with other Partners and members to achieve yours and the initiative's vision.
2. Organizing SI4DEV events and projects (fundraising, project planning, campaigns and representing at key events).
3. Contributing to the SI4DEV website and social media (Writing articles, blog contribution, submitting resources for the website, sending in state status reports or focus area reports)
4. Remaining active and being proactive as it relates to your focus area activities and advocacy at various SI4DEV events in your state or local government.
5. Attending training events organized by SI4DEV (online or face to face) on general work and life skills, such as communication, leadership, teamwork, creative thinking, project planning, organizing and management skills which you can use any future endeavors.

Specifically, as an SI4DEV Partner, we expect you to meet the following targets in your first 6 months:

1. Participate in at least 6 online SI4DEV recommended online courses and 4 other training sessions.
2. Conduct SI4DEV talks in at least 5 schools or youth groups based on a template to be supplied by SI4DEV
3. Recruit at least 20 Partners and engage them in activities to promote the goals of SI4DEV,
4. Create an action plan for a pilot intervention in your state or local government, individually or through an organization that you are currently a part of or with a group of youth/peers.
5. Raise at least N100,000 in funds using the online crowdfunding tool that will be shared with you, for activities to promote your own campaigns.

Partner Benefits

1. A small financial token for completing and reporting your journey as a Partner. This amount will only be disbursed following your first 6-month as an active and dedicated Partner.
2. An opportunity to create your profile on the SI4DEV website in and receive certificates of completion on concluding various training sessions.
3. An SI4DEV branded letter of support towards your personal goals and development work applications.
4. Opportunities to participate in online, regional, national or international SI4DEV events and training.
5. The Partners with the best projects will have an opportunity to crowdfund additional capital and we will match the funding for the most successful campaigns up to \$1000!
